

New Wine

[Hillsong UNITED](#)

In the crushing
In the pressing
You are making new wine
In the soil I now surrender

You are breaking new ground
So I yield to You and to Your careful hand
When I trust You I don't need to understand

Make me Your vessel
Make me an offering
Make me whatever You want me to be
I came here with nothing
But all You have given me
Jesus bring new wine out of me

In the crushing
In the pressing
You are making new wine
In the soil I now surrender
You are breaking new ground

Where there is new wine
There is new power
There is new freedom
The Kingdom is here
I lay down my old flames
To carry Your new fire today

Another In The Fire

[Hillsong UNITED](#)

There's a grace when the heart is under fire
Another way when the walls are closing in
And when I look at the space between
Where I used to be and this reckoning
I know I will never be alone

There was another in the fire
Standing next to me
There was another in the waters
Holding back the seas
And should I ever need reminding
Of how I've been set free
There is a cross that bears the burden
Where another died for me
There is another in the fire

All my debt left for dead beneath the waters
I'm no longer a slave to my sin anymore
And should I fall in the space between
What remains of me and this reckoning
Either way I won't bow to the things of this world
And I know I will never be alone

There is another in the fire
Standing next to me
There is another in the waters
Holding back the seas
And should I ever need reminding
What power set me free
There is a grave that holds no body
And now that power lives in me

And I can see the light in the darkness
As the darkness bows to Him
I can hear the roar in the heavens
As the space between wears thin
I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us
Nothing stands between us

There is no other name but the name that is
Jesus
He who was and still is, and will be through it all
So come what may in the space between
All the things unseen and this reckoning
And I know I will never be alone

There'll be another in the fire
Standing next to me
There'll be another in the waters
Holding back the seas
And should I ever need reminding
How good You've been to me
I'll count the joy come every battle
'Cause I know that's where You'll be
I can see the light

And I can see the light in the darkness
As the darkness bows to Him
I can hear the roar in the heavens
As the space between wears thin
I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us
Nothing stands between

There'll be another in the fire
Standing next to me
There'll be another in the waters
Holding back the seas
And should I ever need reminding
How good You've been to me
I'll count the joy come every battle
'Cause I know that's where You'll be

Do It Again

Elevation Worship

Walking around these walls
I thought by now they'd fall
But You have never failed me yet
Waiting for change to come
Knowing the battle's won
For You have never failed me yet

Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence, You've never failed me yet

I know the night won't last
Your Word will come to pass
My heart will sing Your praise again
Jesus, You're still enough
Keep me within Your love
My heart will sing Your praise again

Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence, You never failed

Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence, You never failed me yet

I've seen You move, come move the mountains
And I believe, I'll see You do it again
You made a way, where there was no way
And I believe, I'll see You do it again

I've seen You move, come move the mountains
And I believe, I'll see You do it again
You made a way, where there was no way
And I believe, I'll see You do it again

I've seen You move, come move the mountains
And I believe, I'll see You do it again
You made a way, where there was no way
And I believe, I'll see You do it again
